Subject: Grant of relief to the sufferers in accidiental fire at Kolhal village, Chitaldrug Taluk,

Sir,

Chairman 26/5/36 (2) approved. These cases are becoming numerous & large sums are involved. Rs 5 rate may have to be reduced. fire accidents are an ordinary feature of hot weather and the relief fund was not intended to cover such cases. Please see how much money has been sanctioned this year.

I have the honor to state that a disastrous fire occurred at Holhal village in Chitaldrug Taluk on 27th April 1936 as a result of which 28 huts, hay-stacks and other properties valued in all at Rs. 1,974/- as noted in the margin were destroyed.

1.	28 huts(14 of Adikarnatakas and 14 of Naiks) Value	Rs. 260/-
2.	Value of Hay-stacks of le people ..	830/-
3.	Value of other properties lost ..	884/-
	Total	1,974/-

Besides, a girl aged about 3 years is also reported to have died of burns, during the accident. Of the 28 people who have lost their houses, only 19 pay assessment to Government, the others being non-agriculturists. The local officers who have inspected the spot on the occurrence, recommend that a sum of Rs. 200/- may be sanctioned from the Distress Relief Funds for distribution to each of 28 sufferers who have lost their houses in addition to other properties.

As it is reported that there has been considerable loss and suffering, I agree with the opinion of the local officers and recommend accordingly.

The amount may kindly be sent to the Amildar, Chitaldrug Taluk for distribution, the vouchers being submitted by the Amildar in due course to the Secretary.

decided at the meeting of the Board held on 18.6.1936. Accordingly Item 4, gratuitous relief should ordinarily be limited to Rs.5/- per family.

Submitted with reference to the remarks of the Chairman in para 2 of the note.

BR MA
25/6/36.

The sum of Rs.5 per family now being granted in cases of accidental fires for the relief of immediate distress for setting cloth, provisions &c does not appear to be over-liberal. There has no doubt been a gradual rise in the amount spent for the purpose each year for the past few years. But this is probably due to our having given wider publicity to the existence of the fund by ordering the publication of the annual report in the Gazette and some of the papers.

There is already a rule to the effect that recommendations should be made for a grant from the fund only in cases of widespread distress and not in stray individual cases of hardship. This is likely to serve as a salutary check against recommendations being sent up in cases which are not really deserving of help.

It may not therefore be desirable to reduce the existing rate of relief as at present.

Chairman) The question will be placed before the Board at its next meeting. Meanwhile I would request that the fund is being utilised for the purposes which are primarily intended, namely flood, earthquake, cyclone within the present scheme.

6. On 24-2-36 the Treasury has wrongly added Rs 756-1-1 as interest allowed on current deposit in Savings Bank account for the year 1934-35. The actual amount of interest allowed is only Rs 88-9-2 instead of which the closing balance at credit of the account including the above interest has wrongly been entered in the Pass Book as interest. This amount of Rs 756-1-1 is taken as interest in the cash book also. Hence the closing

balance both in the Pass Book and the cash book is in excess over the actual by Rs 667-7-11. This has to be corrected immediately.

7. As no interest is earned on the amount of Rs504-14-0 remaining in the Mysore Bank from 27-12-34, the amount may be withdrawn and credited to Savings Bank Account.

Mysore Distress Relief Fund,
General & Revenue Secretariat,
Bangalore.

SIR,

I have the honour to invite your kind attention to the fact that a sum of Rs.504-14-0 is at the credit of Distress Relief Fund in Current Account with the Bank of Mysore, Ltd., This sum is stationery since 31st December 1934 and has not been earning any interest whatever. As there are no transactions with the Bank, I suggest that the amount may perhaps be withdrawn by closing the account and transfering to the Savings Bank Account at State Huzur Treasury so that it may earn interest at the Savings Bank rate. An early reply in the matter is solicited.

I have the honour to be,

Sir,

Your most obedient servant,

A. N. Raghavachar
Comptroller.
